REQUEST FOR CHANGE OF CORRESPONDENCE ADDRESS

Sir:

On January 3 2003 a revocation and a new Power of Attorney was filed, which included a request to change the correspondence address to that of customer number 23400. After this, the USPTO continued to send correspondence to the former attorneys. Therefore, on May 9 2003, the applicant re-submitted copies of the new Power of Attorney along with associated papers, such as the revocation form in an attempt to have the correspondence address changed. However, this still did not have the effect of changing the correspondence address, and correspondence is still being sent to the former attorneys. According to the PAIR system, neither of these previous submissions is recorded. Therefore, this is a third attempt to record the Power of Attorney and have the correspondence address changed. Copies of the new Power of Attorney form, a revocation form, and a statement under 37 CFR 3.73(b) are attached. These are copies of the forms sent previously.

Serial No. 09/785461

Please enter these forms and recognize the firm of Posz and Bethards (customer No. 23400) as the authorized attorneys in accordance with the attached Power of Attorney form.

Further, please change the correspondence address to the following:

Posz and Bethards, PLC
111250 Roger Bacon Dr., Suite 10
Reston, VA 20194

Respectfully submitted,
